## Strategic Region

### Our Target Strategy

- Current or new categories with a promising strategic fit
- Acquisition processes respectful of existing culture and people
- We prefer control
- Excellent management teams
- Leader brands
- High value added and differentiated products
- Solid and sustainable business models – No turnarounds.
- Go to market/distribution
- Highly innovative companies
- Preference for businesses with a sound strategy towards healthy and nutritional products

### Health and Nutrition

Support the growth of our healthy and nutritional products portfolio with acquisitions:

- "Good for you" products, dairy, veggies, supplements, natural juices and nectars, nuts, oats, soy products, dried fruits, aromatics, sugar free, fat free reduced sugar/fats/salt , cereals & grains, enriched or functional products, healthy claim products.

## STRATEGY FOR OUR FIRST CENTURY 1920-2020

“Our Centennial strategy aims to **double our 2013 sales by 2020**; with sustained profitability between **12% and 14% of the EBITDA margin**. To achieve this, we offer our consumers **foods and experiences of recognized and beloved brands**, that **nourish, generate wellness and pleasure**, that are distinguished by **the best price/value relation**; widely available in our strategic region, managed by **talented, innovative, committed and responsible people**, who contribute to **sustainable development**”

**2 X \$5,9 = \$11,8**  
Double 2013 sales COP trillion
